

An invitation to men of the *Saint Joseph the Worker* and *Our Lady of the Lake Collaborative* to join the **Knights of Columbus Council #11390**

Fr. Michael McGivney, our founder

What are the Knights of Columbus? We are **Catholic men** who desire to **serve the Church and our community**. Here are some examples of what the Knights of Columbus (and their families) do:

- Help with **small projects** around the church
- Organize **breakfasts** for the people of the parish
- Encourage families to participate in **activities that deepen their faith** and promote the work of evangelization

If you are interested in **joining our Order**, please contact Fr. Kwang (phone #: **(781)293-3581**; e-mail: **father.kwang@gmail.com**)

We have **4 members** so far, and need at least 16 more to get our Council (our group) going! The time commitment is **minimal**—2 hours/month (of which 30 minutes is meant for reading our magazine *Columbia*)
